

## MFL Home Learning Activities

Complete the activities below and record your evidence ready to show to your teacher.

1. Log on to [www.memrise.com](http://www.memrise.com) and select your topic. Start learning vocab and earning points. Give your point score to your teacher and a list of some of the structures you have learnt.
2. Log in to [www.kerboodle.com](http://www.kerboodle.com) and complete activities from the topic you are learning. Bring evidence to show your teacher. **Do you know your Log In details?**
3. Challenge yourself and complete Kerboodle tasks from topics you have already completed and show your teacher.
4. Visit [www.lyricstraining.com](http://www.lyricstraining.com), select your language and song and start listening (and singing!) Bring (or sing) the evidence to your teacher.
5. Watch videos and complete tasks on [www.teachvid.com](http://www.teachvid.com)
6. Watch a film on Netflix changing the language to French, German or Spanish. List new vocab discovered or familiar words you have heard. Write a review – *challenge* -write it in Fr / Sp / De.
7. Upload Duolingo app and use daily to see your progress improve. Record and share your progress.
8. Read news articles on [www.maryglasgow.co.uk](http://www.maryglasgow.co.uk) in French, German or Spanish. Write a summary of the article to show to your teacher.
9. French only - Read articles and watch clips on [www.1jour1actu.com](http://www.1jour1actu.com) and summarise what you have seen.
10. German only – Read articles and watch clips on [www.zdf.de/kinder/logo](http://www.zdf.de/kinder/logo) (like Newsround) and [www.news4kids.de](http://www.news4kids.de) summarizing what you have seen.
11. Spanish only – Read articles on [www.primerasnoticias.com](http://www.primerasnoticias.com) and write a summary of your findings.
12. Visit [www.bbc.co.uk/bitesize](http://www.bbc.co.uk/bitesize) and watch videos, complete activities and tests on all of the GCSE topics.
13. Make revision cards with End Of Topic Questions and practice recalling your answers.
14. Create your own Top 10's of key phrases and words (opinions / connectives / sentence openers / past tense verbs / future tense verbs / present tense verbs).
15. Visit [www.languagesonline.org.uk](http://www.languagesonline.org.uk) and practice topics / grammar points / quizzes.
16. Create revision resources using exercise books / revision guides / any of the websites above. Share them with your class and teacher.
17. Complete a mind map for each subtopic in the AQA Revision Guide.
18. Complete practice exam questions from the AQA Revision Guide workbook.
19. Complete the Reading and Writing practice questions in your workbooks provided in class.
20. Practice the Photocards and Role Plays from your workbooks provided in class. Use the model answers to improve your responses.
